Kids Music COMPANY

When You Arrive

Parking:

- On arriving at Kids Music Company please park in the adjacent car park.
- On Saturdays in the soccer season use the car park belonging to the Church of the Latter Day Saints, next door.

The Building:

- Enter the building from the field side, to the main foyer area. Our teaching space is to your left.
- The room to the right belongs to the North Shore Brass Band. Please keep your children out of this area.

Signing in:

- Please sign your child in on the list by the door. It is important that we know who is here and for whom we are responsible.
- Siblings of children enrolled in the classes are the responsibility of you, the parent or caregiver.

Toilets:

- Toilets are off the main foyer, in the rear of the building.
- Please take your used nappies home with you.

Shoes:

- The floor of the teaching room is carpet on a concrete base.
- Clean indoor shoes or slippers may be worn during the session.
- Please remove outdoor footwear.

Behaviour:

- Once children are working without their grown up we will expect a high standard of behaviour from them. Our teachers are very positive in their approach and will encourage the child in a warm manner. For the sake of the others in the group we must work as a team. Thank you for your support.
